**This is our health guarantee and sales agreement. Please read as this is what you are agreeing to when you purchase one of our puppies.** Our puppies are guaranteed to be in good health at the time of sale and upon arrival. The buyer has a **72 hour** (business days) guarantee in which he /she is urged to have the puppy checked by a licensed vet. We reserve the right to seek a second opinion from the vet of our choice. We are not liable for any vet bills regarding the diagnosis and treatment of any defects.

Once a deposit is made, it is non-refundable. We don't do cash refunds of purchase price. However, if your puppy is found to have one of the above defects, and it is within the time period stated above, we will replace said puppy with one of equal value as one is available. We are not responsible for paying any shipping fee's.

All our puppies receive age appropriate vaccinations. Luxating patellas grade 1 or 2, hernias, coccidia, giardia and worms are not serious health problems if treated properly, and are NOT covered under this guarantee. We start worming our puppies at two weeks of age and as needed. To the best of our knowledge, our puppies are free of worms.
